25 YEAR RE-REVIEW CLASSIFICATION SECRET--Security Information
DISTRIBUTION

The Frunze  meadquarters of the NKVD was located in a large red brick building near the market place in the center of the city. The headquarters was a most conspicuous structure, and the living quarters for the NKVD personnel consisted of several slocks of new houses situated quite near the railroad station.  There is a permanent garrison of Interior Troops located in Frunze,  these special soldiers are harged with guarding the public buildings, industrial plants, and military accilities such as the army officers' training academy, the air cadets school, and the partisan training facility.							25
